

OUR ACTIONS ARE DESTROYING MORE THAN JUST ICEBERGS.

Climate change could push 250 million sub-Saharan Africans into poverty by 2020.

In December the most important climate change talks in history take place in Copenhagen. Tell the Prime Minister he needs to attend and demand a fair deal for the world's poorest.

Text GORDON to 84880 and we'll write to him for you, or send him an email yourself at christianaid.org.uk
