With your help, we can work in partnership with local organisations around the world to challenge the structures of power that keep people poor.

What difference can you and your walking shoes make? In Malawi, £10 could buy an acre's worth of pigeon pea seeds for a poor farmer. £50 could provide all the tools, fertiliser and pesticide a family needs to grow a bumper harvest. £300 could buy 15 farmers the best varieties of peas and essential equipment like fertiliser and tools to get their crops off to the best start.

Refreshments will be provided at the check points. However, please bring your own packed lunch, and wear suitable clothing and footwear. Children under 14 must be accompanied by an adult.

Register NOW by completing the form opposite and returning it to the postal address or visit www.christianaid.org.uk/getinvolved. For more information call Justice Onwuka on 0207 5232 044. Once registered you will receive a sponsorship pack containing full details of the walk and everything you need for successful fundraising.
