Tea-time prayer

God of all of life,
waiting for the water to boil
we confess and lament
the rise of temperature
that has led to a climate crisis
across this beautiful planet.
We wait, impatient for change.

Pouring out hot water
on loose-leaf or tea bag,
into teapot or favourite mug,
we pour out our intercessions
for a change of heart by politicians
to put planet and people first.

Stirring teabag, leaves or sugar
we ask that you would stir in us
a passion to take action,
to do all we can at this critical hour
to take care of our common home
and amplify the call for climate justice.

Drinking that first satisfying sip
we give thanks for the day when
‘they will hunger no more,
and thirst no more’*
Infuse us with a strongly brewed vision
of your creation healed and restored.

Amen
