The Young Christian Climate Network (YCCN) arrived in Glasgow at the end of last month, in time for COP26. Their relay from Cornwall to Glasgow was over 1,200 miles.

We thank God for the safe passage of all participants and pray world leaders will hear their calls for climate justice and fair climate finance.

COP26 is here - pray for climate justice
For two weeks from 31st October, world leaders will gather at COP26 in Glasgow. We pray earnestly for world leaders to take actions that will help us achieve climate justice. We pray that decision makers will listen to the voices and experiences of those most affected by the climate crisis. We pray world leaders make decisions which benefit the most vulnerable around the world, who are already impacted by the climate crisis.

Rise to the Moment Prayer boats
Thank you to the thousands of you who have made prayer boats. We pray that as our fleet of boats arrive in Glasgow and become spread across the city, that their prayers for just action will be heard by decision makers and decision makers will rise to the moment.
Prayer for Young Christian Climate Network

Dear God,

We thank you for the safe passage of the Young Christian Climate Network (YCCN), as they journeyed along the length of our island in their pilgrimage to the COP26 Climate Conference in Glasgow. May you bless all involved in the relay, those who walked, those involved in a local celebration, those who joined online, and those who joined in prayer.

In your name, they ask for climate justice and fair climate finance for all nations. Inspire all of us to seek change and put compassion and understanding into the hearts of governments and decision-makers. In this crucial year for the future of our earth, help us to rise to the moment.

God strengthen us and lead us to justice. Today, this year, and always, help us to rise to the moment.

We ask this for the sake of your Son, our saviour Jesus Christ.

Amen

Pray to Rise to the Moment

Loving God,

We thank you for your people. May you bless all who created a prayer boat.

Graceful God,

We acknowledge our sinful ways which damage your creation. May our prayer boats lead us to just actions.

Almighty God,

We ask that you lead decision makers to our prayer boats. May the calls of your people for creation care and climate justice drive the actions of decision makers.

Amen
