

Meet our team

The team behind Christian Aid Zimbabwe

Aulline Chapisa

Country Director

Aulline has led engagement work with partners, diplomatic stakeholders, church organisations, private sector and government. With a legal background, she has supported social justice and economic justice projects and partnerships involved in land policy, climate justice, energy, the agriculture value chain, labour market and recognition of the informal sector workers. Aulline is a seasoned human rights and social justice lawyer with 15 years' experience in financial and programme management and support of partner organisations. She is experienced in supporting labour unions, informal economy organisations, mentoring young activists, and gender activists in Zimbabwe. She has demonstrable and track record in formulating and implementing programmes, budget control and fundraising.

Grace Mugebe

Programme Manager

Grace is an experienced Development & Communications Practitioner with a career spanning over 20 years in governance programmes, gender equality, livelihoods, public health, humanitarian and emergencies intersecting with Organisation Development, Operations Management and Communications. Grace manages oversight on the Christian Aid Zimbabwe country programme portfolio covering social, economic, humanitarian and climate justice projects, including support towards strategic management, fundraising, programme quality, operational excellence and programme development. Grace is passionate about human rights-women's rights, economic empowerment and accountability issues.

Grace holds a Master of Science in Development Studies, Bachelor of Science Special Honours Degree in Monitoring and Evaluation (Post Grad), Bachelor of Science Degree in Psychology, National Diploma in Mass communication (Broadcast Journalism), Certificate in Marketing and Public Relations.

Tawanda Ndudzo

Finance Manager

Tawanda Ndudzo has over 16 years of experience working in the finance sector. He assumes knowledge in international development, humanitarian and economic justice programmes. He is passionate about reaching the very poor and at the same time ensuring financial compliance in the stewardship of resources entrusted by stakeholders. He leads a team of finance experts, each responsible for financial management of projects under their portfolio.

Ruvimbo Nhunhama

Senior Programme Officer- Social and Economic Justice

Ruvimbo Nhunhama is a developmental specialist with over 13 years' experience in Monitoring and Evaluation and Programme Management of Governance and Human Rights, Women and Youth empowerment and Child protection programmes. She is the thematic lead for Social and Economic Justice responsible for leading fundraising, implementation, accountability, learning of the governance and human rights, social and economic justice programmes in Zimbabwe.

Ruvimbo is a holder of a bachelor's degree in Social Sciences (Africa University), a master's degree in Developmental studies (Women's University in Africa), certificates on post graduate courses in Programme Management and Monitoring and Evaluation (UZ). She is also a holder of a post graduate diploma in Personnel Management (Institute of People Management in Zimbabwe).

Vuyisile Ndlovu

Interim Team Leader-BRACT

Vuyisile provides leadership for the Climate Justice and Resilience workstream in the country programme. For the past 6 years he has been part of the strategic leadership for the multi-donor ZRBF-BRACT project; initially managing the MEL portfolio and later as from January 2022 taking over as the Team Leader for the consortium. He is a Senior development and Disaster Risk Management professional with over 18 years' experience in designing and managing a wide range of multi-donor and consortia run programmes. He is a proven leader with exceptional communication, analytical and conceptual skills as well as a self-driven team player who interacts well across diverse cultures. He has managed and provided technical support to programs employing innovative and proven approaches such as CMDRR, social safety nets, productive asset creation and sustainable management, climate change-adaptive livelihoods, and strengthening local institutions for resilience.

He holds a Msc in Disaster Risk Management; Bachelor of Commerce in Management; Bachelor of Social Science Special Honors Degree in Monitoring & Evaluation; Post Graduate Diploma In Geographic Information Science & Remote Sensing; and a National Diploma in Agriculture.
