

Editable label template

Thank you for your support this Christian Aid Week. Every gift will help create lasting change for our global neighbours, of all faiths and none. Use this template to create personalised labels and let people know where to return their delivery-only envelope.

How to use this template

1. Download and save this document to your computer.
2. Edit the document using a PDF reader.
3. On the following A4 page there are 16 printable labels. You can edit the labels with details of a return address for your delivery-only collection, and the date when people need to drop off their envelopes.
4. Print the labels to add to your collection envelopes.

The template is based on the dimensions of the Avery label which can be found here: avery.co.uk/template-3484

How to use this template

by

You can also donate via our fundraising page:

All your details will automatically appear on each of the labels on the second page.

To personalise your labels simply click each line to add details.

Instructions to add QR code:

Click on the square > click 'browse...' > find the folder where you saved your QR code image > select the image and insert your personalised QR code. This will appear on all the labels on the second page.

If you need some further help or practical support, contact our friendly Central Supporter Engagement Team at hello@christian-aid.org or **020 7523 2493**
